ARMCHAIRS

2004

Antonio Citterio

Description

The Clio armchair is characterised by a light but solid frame in solid wood available in different finishes. The backrest echoes the same finishes as the frame and can be covered in leather or fabric or with natural cellulose rope interlacing. Comfort is ensured by an upholstered seat cushion and a back cushion with flounces.

Technical information

Frame solid wood Seat cushion shaped polyurethane of different density, sterilized down, polyester fibre cover Back cushion with flounce sterilized down, polyester fibre, cotton cover Back (SMPR_S) multi-layered wood panel, shaped polyurethane of different density, polyester fibre, sterilized down Back (SMPR_SL) veneered multi-layered wood panel Back (SMPR_PA) cellulose rope interlacing Ferrules plastic material and felt Cover fabric or leather
