

Simpliciter

ARMCHAIRS

2003

Antonio Citterio

Description

A true evergreen, the Simpliciter armchair stands out for its light frame underscored by slender armrests, a single topstitched seat cushion, and painted aluminium feet. It also comes in a fresher, more feminine version with a textile cover that reaches as far as the ground. A sofa and ottoman complete the line.

Technical information

Internal frame
tubular steel and steel profiles
Internal frame upholstery
Bayfit® flexible cold shaped polyurethane foam, shaped polyurethane, polyester fibre cover
