

## Max

COMPLEMENTS

2001

Antonio Citterio

## Description

---

A writing desk reminiscent of a classic bureau with a contemporary twist, Max is a small jewel of the cabinet-maker's art. It stands out due to its extraordinary attention to detail, making it a precious treasure chest. The main features of this flip-top desk are the special X-shaped design of the steel structure and the geometric design of the drawers. The desk comes in one size in various wood finishes.

## Technical information

---
