

Nidus

SOFAS

2018

Antonio Citterio

Description

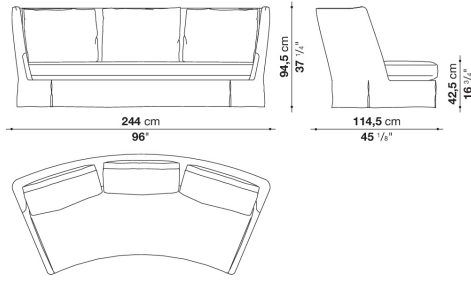

The Nidus sofas, available in two sizes, feature a distinctly relaxed feel, for moments of socialising and conversation in a harmonious, relaxed setting. Marked by an enveloping curved shape, by the absence of armrests, and by a high back, this solution makes it possible to bring people together in relaxed way. Upholstered in fabric, they can be complemented by a comfy removable headrest. The Nidus series is completed by an armchair offered in three different versions.

Technical information

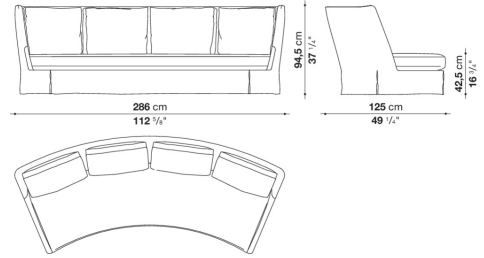

Internal frame
