MAXALTO

Apollo

DIVANI

2019

Antonio Citterio

Descrizione

Collezione di sedute dalla personalità unica, Apollo comprende divano lineare, divano curvo, elementi terminali o chaise longue oltre a dormeuse e poltrona girevole. Le forme curvilinee, ma sempre rigorose, danno vita a un’estetica equilibrata e armoniosa. Il design dello schienale, la profondità generosa della seduta, le forme anatomiche e le morbide imbottiture rendono Apollo una proposta estremamente accogliente e confortevole. Ricca la gamma di rivestimenti in tessuto o pelle. Le versioni in tessuto sono ulteriormente impreziosite da cuciture in rilievo, mentre quelle in pelle vantano eleganti cuciture “a busta”. La struttura è sottolineata da un bordo in alluminio verniciato disponibile in una gamma di raffinati colori.

Informazioni tecniche

Telaio interno
schienale tubolari e profilati d’acciaio
Telaio interno sedile
legno massello
Imbottitura telaio interno schienale
